Dear Mr. Glasgow:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for Line(s) 15, 16 and any subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the year-to-date totals for the calendar year 1998.

-For future reports, please note Line 21 of the Detailed Summary Page represents contributions made by your committee to another candidate, party or political action committee. Your report discloses operating expenditures on Line 21 of the Detailed Summary Page. All operating expenditures should be disclosed on Line 17 of the Detailed Summary Page.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days
